

BRLI Scholarship Application

BRLI Financial Aid Philosophy:

BRLI has a limited amount of financial aid available each year to assist participants who cannot personally afford the full tuition. We ask that participants exhaust all other funding sources before making their request to BRLI. Partial scholarships are available for those with a demonstrated need, and BRLI scholarships cannot exceed half of the tuition expense. One full scholarship per year is available for a full-time undergraduate or graduate student.

Financial Assistance will be based upon need and will be extended, once selection of the class has been made, to those who are unable to meet the tuition requirement. All participants will be selected without regard to this financial aid request. If you are selected into the class, your request for financial aid will be considered in conjunction with other requests. When you are notified of your acceptance, you will also be informed of any scholarship award.

BRLI scholarships are made possible by generous sponsors and a number of BRLI alumni.

Please also note below that you may opt for the two-payment option allowing you to break your payment into two installments.
